

OUR COMMITMENT TO ALLERGY & IMMUNOLOGY PHYSICIANS

Did You Know?

Allergies are a leading cause of chronic illness in the U.S. with an annual cost in excess of \$18 billion.

Delivering Customized Solutions

CuraScript SD Provides Best in Class Service to Community Based Physicians

01 | Support for Allergy & Immunology Physicians

With the increase in complex allergic and immune diseases, the community-based allergy/immunology physician's time is extremely limited. CuraScript SD Account Managers can support the initiatives of these specialized practices. We provide access to medications that can be used across all forms of allergy/immunology care. Our broad product offering can help physicians be efficient and effective in the expedited care needed in allergy/immunology.

02 | Dedicated Account Management

Our dedicated Account Managers understand the needs of your office and will work diligently to provide the best options. We will collaborate closely with any practice to discover and implement the best solutions possible to you.

Our Total Account Management approach to serving our allergy/immunology practices provides new avenues for growth. From revenue cycle management, contract eligibility, to inventory controls, CuraScript SD offers solutions tailored to physicians for practice success.

03 | Dependable Support

CuraScript SD provides integrated delivery solutions to safely and consistently distribute pharmaceuticals and medical supplies for office or clinic administration. In addition to an extensive inventory, our services include:

- Rebate and Contract Management Services
- Competitive Pricing on Pharmaceuticals and Supplies
- Simplified Billing
- Flexible Terms
- Easy Ordering Options and More
