

SERVING AMBULATORY SURGERY CENTERS

Did You Know?

*There are approximately
5,500 Ambulatory Surgery
Centers in the United States.*

Ambulatory Advantages for Physicians

*CuraScript SD Carries Over 1,500
Ambulatory Surgery Products and
Continues to Expand our Portfolio*

01 | Custom Delivery Solutions

CuraScript SD understands that the success of surgery centers depends on eliminating waste, reducing operating costs and timely access to products.

Our dedicated Account Managers work closely with practices to recognize trends and select the portfolio of services and products that best meets the unique needs of each surgery center.

02 | CuraScript SD Savings

A freestanding ambulatory surgery center contacted CuraScript SD for their best price on their commonly used products. After reviewing their drug utilization data, CuraScript SD was able to provide the surgery center with improved pricing on their basket of products.

03 | Specialty Distributor of Choice

CuraScript SD provides integrated delivery solutions to safely and consistently distribute pharmaceuticals and medical supplies for ambulatory surgery centers. In addition to our extensive inventory, our services include:

- Competitive pricing on pharmaceuticals & supplies
- Dedicated Account Manager
- Eaches available on many items, including crash cart
- Rebate & contract management services
- Simplified billing, flexible terms and easy ordering options
- Authorized distributor for most GPO organizations
- Nationwide product fulfillment with next day delivery on most products
- Formulary management for contract compliance
- Allocation program for product shortages
