

Meet the Team – D’Arcy Boyer

Your Partner in Care

CuraScript SD prides itself by having teams of professional individuals who provide physicians and offices with distinct service. We have been caring for those who care for more than a quarter of a century by supplying biologics, branded drugs, generics, vaccines, infused medication and ancillary supportive care products to a wide range of medical providers.

The teams we have in place are specialized to disease states and territories in order to provide tailored options no matter who it is for. Not only do our account managers work closely with customers but they also work hand in hand with our strategic team to develop the best solutions and opportunities for you.

D’Arcy Boyer

D’Arcy Boyer is Sr. Manager of Acute Care. D’Arcy started her career with CuraScript SD in 2018 and brings with her more than 22 years of industry experience and a track record of success with building long-term relationships built on trust. Due to the unique product offerings in the CuraScript SD portfolio, D’Arcy leads the efforts in providing personalized care from distribution to administration every step of the way. She is passionate about the acute space due to its ever-evolving nature, continued growth through new

products entering the market and additional indications, which ultimately results in better patient outcomes. With unlimited opportunities through CuraScript SD and personalized service, we look forward to offering the best solutions to you so you have the ability to provide the best care to patients.
