

Meet the Team – Keyla Astacio

Your Partner in Care

CuraScript SD prides itself by having teams of professional individuals who provide physicians and offices with distinct service. When we build our teams we look for those who are not afraid of a challenge and who are willing to go above and beyond. Our account managers work one-on-one with accounts to provide unmatched personalized service.

We want our clients to feel like they have a reliable account manager who cares about them and their patients. The teams we have in place are specialized to disease states and territories in order to provide tailored options no matter who it is for. Not only do our account managers work closely with customers but they also work closely with other teams to develop the best solutions and opportunities for you.

Keyla Astacio

Keyla Astacio works with the Specialty Pharmacy market through the entire U.S. She has extensive experience in products across disease states and is heavily vested in supporting specialty pharmacies. Keyla goes above and beyond for her customers and works on not only finding the best solution for any situation. Her tenacity to supply critical care products to those who need it most is highly valued.

During Keyla's tenure she has won several awards and has been recognized for her vast achievements in the industry. She is always open to learn more and do whatever she can for her customers.

Through hyper-specialized account management and excellent communication Keyla has built long-lasting relationships with her customers and colleagues. With unlimited opportunities through CuraScript SD and personalized service from our account managers, we look forward to offering the best solutions to you so you have the ability to provide the best care.
