

CURASCRIP SD SUPPORTING OPHTHALMOLOGY PHYSICIANS

Did You Know?

The most common and effective clinical treatment for wet age-related Macular Degeneration (AMD) is anti-VEGF therapy.

Personalized Service to Enhance Practice Efficiency

*CuraScript SD Carries All
Consumables Including Dilating
Drops, Antibiotics, Dyes and More*

01 | Access to Essential Therapies

By providing integrated delivery solutions for the safe and efficient distribution of specialty pharmaceuticals and associated medical supplies, CuraScript SD provides Ophthalmology practices access to essential therapies to preserve and enhance in-office care for patients. At CuraScript SD, our customers work one on one with a dedicated Account Manager to ensure access to the following:

- Competitive pricing on pharmaceuticals & supplies
- Rebate and contract management services
- Simplified billing, flexible terms and easy ordering options
- Authorized distributor for most GPO organizations

- Nationwide product fulfillment with next day delivery on most products
- Extended weekday service hours (8:30 am to 7:00 pm EST)

This Total Account Management approach to serving our Ophthalmology physicians ensures maximum savings. From revenue cycle management to inventory controls, CuraScript SD offers alternatives to minimize inventory and maximize cash flow.

02 | Nationwide Service & Distribution

CuraScript SD provides service to Retina and Eye Surgery centers across the United States including centers in Hawaii and Puerto Rico. Our nationwide distribution platform provides timely delivery of orders across the United States, Puerto Rico and Guam. Our strategically located distribution centers operate extended weekday hours to ensure next day delivery of all refrigerated products.

03 | Convenient Ordering Options

CuraScript SD provides convenient phone, fax and online ordering options and extended weekday service hours from 8:30 am to 7:00 pm EST. We also provide Friday for Monday service at no additional charge and do not restrict ordering schedules or impose volume restrictions.
