Experience the Advantage

Our Total Account Management Approach Ensures Maximum Savings

01 | Recognizing Rheumatology Needs

New reimbursement realities have noticeably changed the landscape for community Rheumatologists. As a result, practice efficiency has become increasingly important and CuraScript SD understands this. We know the success of your practice depends upon eliminating waste and reducing your operating costs.

Our Total Account Management approach to serving our Rheumatology physicians ensures maximum savings. From revenue cycle management to inventory controls, CuraScript SD offers alternatives to minimize inventory and maximize cash flow.

CuraScript SD understands shrinking reimbursement, changing regulations and rising operating costs continue to fluctuate for Rheumatology physicians.

Our extensive product catalog ensures access to the therapies you need to preserve and enhance patient care.

02 | Dedicated Account Managers

As the leading distribution service provider to the Rheumatology market, our Dedicated Account Managers work closely with every account to recognize the unique needs of your practice and ensure you are maximizing your savings potential.

03 | Customized Solutions

CuraScript SD provides integrated delivery solutions to safely and consistently distribute pharmaceuticals and medical supplies for office or clinic administration. In addition to an extensive inventory, our services include competitive pricing on pharmaceuticals and supplies, rebate and contract management services, simplified billing, flexible terms, easy ordering options and more.
