

Meet the Team – Robert Cruciata

Your Partner in Care

CuraScript SD prides itself by having teams of professional individuals who provide physicians and offices with distinct service. When we build our teams we look for those who are not afraid of a challenge and who are willing to go above and beyond. Our account managers work one-on-one with accounts to provide unmatched personalized service.

We want our clients to feel like they have a reliable account manager who cares about them and their patients. The teams we have in place are specialized to disease states and territories in order to provide tailored options no matter who it is for. Not only do our account managers work closely with customers but they also work closely with other teams to develop the best solutions and opportunities for you.

Robert Cruciata

Robert Cruciata works with the Ambulatory and Ophthalmology market in the southeast as your partner in care. He has been with CuraScript SD since May 2009 and over his 10 years of service he has held different territories across various disease states. Robert has become well versed in pharmaceutical products and helpful in introducing customers to a broad range of services that would best suit their practice. In his tenure Robert has

received many awards and accolades, and most recently was 2018's President's Club award winner; CuraScript SD's highest honor.

Through hyper-specialized account management and excellent communication Robert has built long-lasting relationships with his customers and colleagues. With unlimited opportunities through CuraScript SD and personalized service from our account managers, we look forward to offering the best solutions to you so you have the ability to provide the best care.
